New Business:

Maribeth mentioned that it is time to put the Standing Rules up on the website. These were emailed to the whole board and on the shared drive. At any point Sarah is allowed to change the wording for clarity. These will be sent to Harold.

Sarah reminded us that the August meeting we should get with Cherry Tree and look at dates for the next year's shows. Also we need to decide if we want 2 rated shows. One rated show will be in spring and one in later summer.

John made a motion to make a clarification that 'any NMDA sponsored show will count for year-end awards, not just schooling shows.'

After much discussion, John made a motion to change the wording for clarification and use rated show results for year-end awards.
