

2025 AHANM Sponsorships

Your sponsorship helps support the many initiatives of our local New Mexico Arabian Horse Association (AHANM). We are a passionate community, dedicated to fostering love of horses and a variety of equestrian sports. Our program provides educational clinics, affordable competition, and inclusion of all breeds.

You may not remember the tests you took or what you had for dinner, but the impact of youth sports and the community developed around these activities stays with you forever. Your sponsorship provides our youth with access to these positive experiences and leadership opportunities. The adult amateur and professional community has grown in participation with the diverse options offered.
